

10 Worsnop Street Cooranbong NSW

Interested in building?

Due to be registered in March, here is your opportunity to build your dream home or take advantage of a very strong rental demand and build a dual-occupancy home - perfect for local university students seeking nearby accommodation.

Located a very short walk from Avondale School (K-12) and within walking distance to the soon-to-be built Cooranbong Town Centre (including Woolworths) and Avondale University, these blocks will be hotly contested.

Forming part of a small and modern development, this block offers a peaceful vibe with plenty of potential.
